

Cedrus Investments' Chairman Mr. Rani Jarkas is Invited to Speak at the Mines and Money Asia 2018

PR NEWSWIRE ASIA (/SOURCE/PR-NEWSWIRE-ASIA) | Feb 27, 2018

HONG KONG, Feb. 27, 2018 /PRNewswire/ -- The Chairman of Cedrus Investments ("Cedrus") (<http://www.cedrusinvestments.com/index.html>), Mr. Rani Jarkas, is invited to speak at the Mines and Money Asia 2018 conference to be held on 3rd - 6th April 2018 in Hong Kong. This year, the event will again be welcoming mining industry leaders and investors from all over the world, with an expected increase in attendance of around 30% compared with last year, thus enhancing its position as a global annual event for the industry's top company executives and leading investors to discuss industry prospects as well as exploring investment opportunities.

Mr. Jarkas will be speaking at the Belt and Road Masterclass session to share with institutional investors and representatives of global mining companies his deep insights on "How can the Mining Industry Capitalize on the Huge Potential of Infrastructure Projects Associated with China's Belt and Road Initiative?"

Mr. Jarkas said, "Since the Chinese government launched the Belt and Road Initiative in 2013, a closely-knitted and comprehensive connection has been taking shape among countries along the ancient Silk Road in terms of politics, economy and cultural integration amid rapid development and improvement in infrastructure that will ultimately lead to win-win situations. The initiative is truly the catalyst for a new growth engine that benefits traditional and emerging sectors alike.

Cedrus has decades of experience investing in countries alongside the ancient Silk Road routes and working closely with local governments and companies to identify significant investment opportunities in the region. By virtue of our experience and expertise in the mining industry, it has always been our commitment to assisting our valuable corporate clients and investors to capture the market trend and maximize their investment returns."
